Dedication

Graham High School

Mr. A. G. Graham

St. Paris, Ohio

Graham High School was dedicated December 15, 1957, to culminate years of planning and building.

C. M. Bricker, acting as Master of Ceremonies, presented guests connected with the construction of the building.

Harold Shank read a responsive Service of Dedication, followed by a Dedicatory Address by R. M. Eyman.

Mr. A. B. Graham, to whom the building is dedicated, made several remarks.

The band and girls' and mixed choruses provided music for the impressive afternoon service.

Looking ahead some fifteen years, let us see what the crystal ball holds for these members of the class of "Fifty-Eight":

WILLIAM ARMSTRONG will be elected Ohio's No. 1 Housewife.

JAMES LEE BALLARD will be one of the cast of Steve Allen's "Man On the Street" program.

CHARLENE BOWEN will be the nation's greatest drag-racing instructor.

CAROL and ROBERT BRICKER will tour the world as internationally known trapeze performers.

DANNY GENTIS will be elected by the women of the world as having the most ravishing personality on earth.

EILEEN FINNERTY will have her hands full with little "Loud-uns."

GLEN EARICK will own a chain of grocery stores called "Eats From Earick's."

KEITH KESLER will be named "Customer of the Decade" by the Unemployment Bureau.

NEVIN EDWARD LANICH will be a girls physical education teacher.

NEIL LANTZ will be acclaimed as "World's Champion Story Teller."

SARAH LASH will be president of a firm known as "Sarah's Knee-Sox, Unincorporated."

HARLEENE LEASURE will be head button-hole counter in a button-hole factory.

PHIL LOUDEN, who likes bookkeeping, will find that it will be all he can do to keep account of all the little "Loud-uns."

DAVID MEYER will be indispensable to Wittenberg College. He will be head janitor.

HUGH KITE will still be unpredictable.

RUBY ROUSH will be a mathematical housewife, and will raise children in large numbers.

RONNIE SHY will be a prospector, but the only gold he will find will be that in his teeth.

RICHARD SMITH will be a milkman, with a bottle of milk in one hand and a customer in the other.

DOLLY STICKLEY will be a chorus girl instead of being in girls' chorus.

MARY ALICE TAYLOR will be demoted to the candy counter of Murphy's Five-and-Ten store instead of working in the office.

ELEANOR CURRENT will be the World's Greatest Ballet Dancer.

KATHLEENE BOWEN will be lady judo expert.

WILLIAM HEATON will inherit an insurance business from his father-in-law.

PAUL HOFFMAN will be coaching a midget basketball team.

JUDY VULGAMORE will be a professional wrestler--but not in the ring--she will wrestle Russell.

All we can say about RONALD MUMPER is that he will get "Knicked."

JUDY BORST and "EASY ED SMITH" will be professional square dance callers.

I think everyone will agree that with aspects such as we have depicted here, the future looks bright for the class of "Fifty-Eight."

At Graham High School, devotional services are held each morning. These are short services which are relayed to each of the nome rooms by means of a central communications system.

The program is carefully selected by a faculty committee directed by Mr. Thomas Rogers. The services are non-denominational, usually consisting of a reading and a short prayer.

At least twice a month, all students come together for a combined worship service. These services are conducted by students with the message being delivered by one of the local minsters.

Cancelled	Mt. Sterling	Cancelled

The Falcon Varsity Squad began Graham's basketball history with a season of twelve wins and only five losses.

Although they started the season with two defeats, Graham failed to hold a mid-season seven-game winning streak and an end with two victories.

An undefeated league record won the Champaign County League trophy for the Falcons, and the championship of the Christmas Tournament added another to the growing collection.

1957 added a new sport to the familiar rostor of old ones. Football began, and with it, the excitement of watching the Falcons battle on the gridiron.

A six-game schedule gave Graham a record of no wins and six losses, but a look at the scores will immediately show the improvement made by the team.

Seven games were originally scheduled but bad weather cancelled the Falcons' hopes of defeating Mt. Sterling in the homecoming game.

We're proud to be working with OUR FUTURE.

There'll be great competition for our young people--leaders of the future. Rural electric co-ops will need their enthusiasm and know-how to face the mounting challenges and threats to our hard-earned progress.

We're proud to be working with our youth and their fine organizations, showing them that ours is more than "Just Another Business." Members of our co-op own, operate and reap the benefits of a truly democratic partnership.

We confer this heritage on our youth with confidence. The future of our rural electric co-op looks bright--because of our rural youth.
